Pursuant to the applicable provisions of the Companies Act, 2013 and SEBI Listing Regulations, the Board has carried out an Annual Evaluation of its own performance, performance of the Directors and the working of its Committees. The Board's functioning was evaluated on various aspects, including inter alia degree of fulfilment of key responsibilities, Board structure and composition, establishment and delineation of responsibilities to various Committees, effectiveness of Board processes, information and functioning.

Evaluation of the Committees performance was based on the criteria like composition, its terms of the reference and effectiveness of committee meetings, etc., Individual Director's performance evaluation is based on their preparedness on the issues to be discussed, meaningful and constructive discussions and their contribution to the Board and Committee meetings. The Chairperson was evaluated mainly on key aspects of his role. These performance exercises were conducted seeking inputs from all the Directors / Committee Members wherever applicable.

The evaluation procedure followed by the company is as mentioned below:

- i) Feedback is sought from each Director about their views on the performance of the Board, covering various criteria such as degree of fulfilment of key responsibilities, Board structure and composition, establishment and delineation of responsibilities to various Committees, effectiveness of Board processes, information and functioning, Board culture and dynamics, quality of relationship between the Board and the Management and efficacy of communication with external stakeholders. Feedback was also taken from every Director on his assessment of the performance of each of the other Directors.
- ii) The Nomination and Remuneration Committee (NRC) then discusses the above feedback received from all the Directors.
- iii) Based on the inputs received, the Chairman of the NRC also makes a presentation to the Independent Directors at their meeting, summarising the inputs received from the Directors as regards Board performance

as a whole and of the Chairman. The performance of the Non-Independent Non-Executive Directors and Board Chairman is also reviewed by them.

- iv) Post the meeting of the Independent Directors, their collective feedback on the performance of the Board (as a whole) is discussed by the Chairman of the NRC with the Chairman of the Board. It is also presented to the Board and a plan for improvement is agreed upon and is pursued.
- v) Every statutorily mandated Committee of the Board conducts a self-assessment of its performance and these assessments are presented to the Board for consideration. Areas on which the Committees of the Board are assessed include degree of fulfilment of key responsibilities, adequacy of Committee composition and effectiveness of meetings.
- vi) Feedback is provided to the Directors, as appropriate. Significant highlights, learning and action points arising out of the evaluation are presented to the Board and action plans are drawn up. During the year under report, the recommendations made in the previous year were satisfactorily implemented.

The peer rating on certain parameters, positive attributes and improvement areas for each Board member are also provided to them in a confidential manner. The feedback obtained from the interventions is discussed in detail and, where required, independent and collective action points for improvement are put in place.

### **Management Discussion and Analysis Report:**

**(a) Industry structure and developments:**

Indian agriculture witnessed a downtrend in sowings during both Kharif and Rabi seasons, due to below normal South West Monsoons and deficit North East monsoons, respectively. The ongoing Rabi season, especially witnessed less sowing, which was the prime reason for increase in prices for all key crops – wheat, paddy, cotton, maize, chana and soyabean. Indian agricultural sector is facing adversity due to factors like - shortage of labour supply- escalated labour costs- marginalized cultivable areas - lack of irrigation facilities, among other things.

The agrochemical production in India has risen by 2.9% in FY 19. Historically, the production has witnessed a CAGR of 4.3% during FY14-18. With the growth in population in India, there is a rise in production of crops, which in turn enhances demand for agrochemicals. Food grain and horticulture production grew by 1.8% and 3% CAGR, respectively during FY14-18.

**(b) Opportunities and Threats:**

India's agrochemical consumption is one of the lowest in the world with per hectare consumption being just 0.6 kgs as compared to the United States (5-7 kgs/hectare) and Japan (11-12 kgs/hectare). With the increase in awareness and market penetration, consumption is likely to improve in the near future. The agrochemicals industry is expected to play a pivotal role in attaining food security for a populous country like India.

India is fast emerging as a hub for contract manufacturing, due to some competitive advantages like Low Cost Manufacturing Capability, Availability of highly skilled workforce, Seasonal nature of domestic demand, Idle Capacity availability, Better price realizations in global markets and Ease of Doing Business

**(c) Segment-wise or product-wise performance:**

During the year under review, the Company has recorded revenue of Rs.5166.99 Lakhs and made a Profit of Rs.71.70 Lakhs against revenue of Rs.5220.09 Lakhs and a profit of Rs.38.94 Lakhs in the previous financial year 2017-18.

**(d) Outlook:**

The management is doing its best to forge relations with other companies and take the company forward in the new business lines. However, the outlook of the management is cautious in view of the competitive nature of the market.

**(e) Risks and concerns:**

Risk management comprises all the organisational rules and actions for early identification of risks in the course of doing business and the management of such risks along with identification of opportunities.

The Company has formulated a Risk Management Policy under which various risks associated with the business operations are identified and risk mitigation plans have been put in place.

**(f) Internal control systems and their adequacy:**

The system of internal control has been established to provide reasonable assurance of safeguarding assets and maintenance of proper Accounting Records and its accuracy. The business risks and its control procedures are reviewed frequently. Systems audit is also conducted regularly to review the systems with respect to Security and its Adequacy. Reports are prepared and circulated to Senior Management and action taken to strengthen controls where necessary.

**(g) Discussion on financial performance with respect to operational performance:**

The Financial performance of the Company has been detailed in Board's Report under para Financial summary.

**(h) Material developments in Human Resources/Industrial Relations front, including number of people employed:**

The Company has able and experienced staff and dedicated executives. The company continues to have cordial relations with its employees and other stakeholders. The Company has 56 permanent employees as on 31.03.2019.

**i) Details of significant changes in key financial ratios along with detailed explanations thereof : Not Applicable**

**j) Details of any change in return on net worth as compared to the immediately previous financial year along with a detailed explanation thereof : Not Applicable**

## INDEPENDENT AUDITOR'S REPORT

**To**  
**The Members of**  
**Bhaskar Agrochemicals Limited**

### **Qualified Opinion**

We have audited the financial statements of **Bhaskar Agrochemicals Limited** ("the Company"), which comprise the balance sheet as at March 31, 2019, and the statement of Profit and Loss, statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2019 and profit, changes in equity and its cash flows for the year ended on that date.

### **Basis for Qualified Opinion**

*The Company has not provided depreciation on building and plant and equipment relating to Unit – II in the books of accounts of the company as the Unit – II is closed and hence our opinion is qualified in respect of this matter.*

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sl.No | Key Audit Matter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Auditor's Response                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| 1     | <b>Revenue Recognition</b> Revenue from the sale of goods (hereinafter referred to as Revenue") is recognised when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer, which is mainly upon delivery. The timing of revenue recognition is relevant to the reported performance of | <p><b>Principal Audit Procedures</b> Our audit approach was a combination of test of internal controls and substantive procedures including:</p> <ol style="list-style-type: none"> <li>1. Assessing the appropriateness of the Company's revenue recognition accounting policies in line with Ind AS 115 ("Revenue from Contracts with Customers") and testing thereof.</li> <li>2. the Company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred. Refer Note 1 to the Financial Statements - Significant Accounting Policies

4. Testing the supporting documentation for sales transactions recorded during the period closer to the year end and subsequent to the year end, including examination of credit notes issued after the year end to determine whether revenue was recognised in the correct period.

5. Performing analytical procedures on current year revenue based on monthly trends and where appropriate, conducting further enquiries and testing.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance

with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

### **Report on Internal Financial Controls Over Financial Reporting**

**Annexure “B” to the Independent Auditor’s Report of even date on the Financial Statements of Bhaskar Agrochemicals Limited**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of**

**Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Bhaskar Agrochemicals Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### 2. Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial Statement. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### 2.1 Basis of preparation & compliance with IND AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Act. The financial statements of the company are prepared in accordance with the Indian Generally Accepted Principal (GAAP) on accrual basis and under the historical cost convention, except for the following material items that have been measured at fair value as required by the relevant Ind AS

- ☛ Certain financial assets and liabilities are measured at fair value (Referred accounting policy on financial instruments)
- ☛ Defined benefit and other long term Employees Benefit.

#### Current versus non current classification

All the assets and liabilities have been classified as current and non current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

#### 2.2 Uses of Estimates & judgments

The preparation of Financial Statements in conformity with the generally accepted accounting principles requires management to make estimates and assumption that affect the reported amounts of assets and liabilities, revenue and expenses and disclosure of contingent liabilities. The estimates and assumptions used in accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements are reviewed on an ongoing basis. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### 2.3 Measurement of Fair Values

The accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The company has an established control framework with respect to the measurement of fair values, which includes overseeing all significant fair value measurements, including Level 3 fair values by the management. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

## BHASKAR AGROCHEMICALS LIMITED.

When measuring the fair value of a financial asset or a financial liability, the company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1 - Quoted price (unadjusted) in active markets for identical assets or liabilities
- Level 2 - inputs other than quoted price included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 - inputs for the asset or liability that are not based on observable market data (unobservable inputs) If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

### 2.4 Property Plant and Equipment and Depreciation

a) Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. Cost includes taxes, duties, freight and other incidental expenses directly related to acquisition/construction and installation of the assets.

Any trade discounts and rebates are deducted in arriving at the purchase price.

b) Subsequent expenditure related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

c) Capital work-in-progress includes fixed assets not ready for their intended use and related incidental expenses and attributable interest.

d) The estimated useful life of assets are as follows:

|                                        |             |
|----------------------------------------|-------------|
| Building                               | 30-60 years |
| Plant and equipment                    | 20-25 years |
| Electrical Installations               | 10 years    |
| Furniture and fixtures                 | 10 years    |
| Vehicles                               | 8 years     |
| Office equipment                       | 5 years     |
| Computer and data processing equipment | 3 years     |

e) Depreciation on tangible fixed assets (property, plant and equipment) has been provided on on Straight Line Method. Depreciation is provided on a pro-rata basis, i.e. from the date on which asset is ready for use. Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

f) Items of fixed assets that are held for disposal are stated at the lower of their net book value and net realizable value and are shown separately under other current assets in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss.

g) An item of property, plant and equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains / losses arising from disposal are recognised in the Statement of Profit and Loss.

### 2.5 Intangible Assets

a) Intangible assets are stated at cost of acquisition less accumulated amortisation and accumulated impairment losses, if any.

b) Subsequent expenditure related to an item of intangible assets are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

c) Intangible fixed assets that are ready for use are amortized on a straight line basis over a period of estimated useful life of 4 years.

d) An intangible asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains / losses arising from disposal of fixed assets carried at cost are recognised in the Statement of Profit and Loss.

## **2.6 Impairment of Property, Plant and Equipment**

The carrying values of assets at each balance sheet date are reviewed for impairment if any indication of impairment exists.

## **2.7 Borrowing Costs**

Borrowing costs incurred on constructing or acquiring a qualifying asset are capitalized as cost of that asset until it is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue and recognized as an expense in the Statement of Profit and Loss.

## **2.8 Research and Development Cost**

Research and Development cost incurred (other than cost of fixed assets acquired) are charged as an expense in the year in which they are incurred and are reflected under the appropriate head of account.

## **2.9 Non Current Assets held for Sale**

Non-current assets classified as held for sale, if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at the lower of their carrying amount and fair value less costs to sell. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in profit or loss. Once classified as held-for-sale they are no longer amortised or depreciated.

## **2.10 Inventories**

- a) Inventories are valued at lower of cost or net realizable value on an item-by-item basis.
- b) Cost of finished goods, traded goods and work in progress is determined by considering materials, labour and other related costs incurred in bringing the inventories to their present condition and location. Cost of raw materials, packing materials and consumables is determined on first-in-first-out basis.

## **2.11 Cash and Cash Equivalents**

Cash comprises of cash at bank and on hand and cash equivalents comprise of short-term bank deposits with an original maturity of three months or less.

## **2.12 Cash Flow Statement**

Cash flows are reported using indirect method as set out in IND AS 7, "Statement of Cash Flows", whereby profit/(loss) before tax is adjusted for the effects of transactions of non cash nature and deferrals of accruals of past or future cash receipts or payments. The cash flows from operating, Investing and financing activities of the company are segregated based on the available information.

## **2.13 Leases**

A lease is classified at the inception date as finance lease or an operating lease. Leases under which the Company assumes substantially all the risk and rewards of ownership are classified as finance leases. When acquired, such assets are capitalised at fair value or present value of the minimum lease, whichever is lower. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of Profit and loss. Other leases are treated as operating lease, with payments are recognised as expenses in the statement of profit and loss on a straight line basis over the lease term.

The company will adopt Ind AS 116, effective annual reporting period beginning April 1, 2019. The company will apply the standard to its leases from the date of initial application (April 1, 2019). The company is in the process of finalising the changes to systems and processes to meet the Accounting and reporting requirements of the standard.

## **2.14 Revenue Recognition**

Effective April 1, 2018 the company has adopted Ind AS 115 "Revenue from contracts with customers". The application of Ind AS 115 did not have any significant impact on recognitions and measurement of revenue.

## **BHASKAR AGROCHEMICALS LIMITED.**

a) Sale of goods is recognized as revenue when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenues are recognized when collectability of the resulting receivable is reasonably assured. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates

b) Income from services rendered is recognized based on agreements with the customers using the proportionate completion method, when services are performed and no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering of service.

c) Interest income is recognized on a time proportionate basis, taking into account the amount outstanding and the rates applicable.

### **2.15 Income Tax**

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law), deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period) and Minimum Alternate Tax (MAT) credit entitlement.

#### **a) Current Tax**

Current tax is computed and provided for in accordance with the applicable provisions of the Income Tax Act, 1961.

#### **b) Deferred Tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

#### **c) Minimum Alternate Tax**

MAT is recognised as an assets only when & to the extent there is convencing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised, it is credited to the statement of profit & loss & is considered as (MAT credit entitlement). The company review the same at each Balance Sheet date & writes down the carrying amount of MAT credit entitlement to the extent there is no longer convencing evidence to the effect that the comapny will pay normal income tax during the specified period. MAT credits are in the form of unused tax credits that are carried forward by the company for a specified period of time, hence, it is presented as Deferred Tax Assets.

### **2.16 Employees Benefits**

Employee benefits payable wholly within twelve months of receiving employees services are classified as short-term employee benefits. The short term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees.

#### **Defined contribution plans**

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The company contributes to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 that is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which the employee renders services. Superannuation benefits, a defined contribution plan, has been funded with Life Insurance Corporation of India and the contribution is charged to Statement of profit and loss, when the contribution to the Fund is due.

#### **Defined benefit plans**

The company provides for gratuity benefit and compensated absences, which are defined benefit plans, covering all its eligible employees. Liability towards gratuity benefits and compensated absences expected to occur after twelve months, are determined using the Projected Unit Credit Method. Actuarial valuations are carried out at the balance sheet date. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The retirement benefit obligation recognized in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, and as reduced by the fair value of scheme assets. The gratuity benefit is funded with the Life Insurance Corporation of India (LIC).

The short term provision for compensated absences has been calculated on actual basis, based on the balance of unutilised leave available, and can be encashed at the end of the year as per the company's policy.

## 2.17 Foreign Currency Transactions

a) Initial recognition-Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

b) Subsequent measurement- Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Foreign currency differences are generally recognised in profit or loss. Non-monetary items that are measured based on historical cost in a foreign currency are not translated.

## 2.18 Provisions and Contingencies

a) A provision is recognised if, as a result of a past event, the company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

b) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision disclosure is made.

## 2.19 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset. Basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant

## 2.20 Earnings per Shares

Basic EPS is calculated by dividing the net profit or loss before OCI for the year by the weighted average number of equity share outstanding during the year. For the purpose of calculating diluted EPS the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares

## 2.21 Operating Cycles

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Based on the nature of products/ activities of the company, the management has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

## 2.22. Financial Instruments

### a) Financial Assets

#### i) Recognition and initial measurement

Financial assets are recognised when the company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value through profit and loss.

Financial assets are carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

#### ii) Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in four categories:

#### Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Any gain or loss on derecognition is recognised in the statement of profit and loss.

## **BHASKAR AGROCHEMICALS LIMITED.**

### **Financial assets at fair value through other comprehensive income (FVTOCI)**

These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to the statement of profit and loss.

### **Financial assets at fair value through profit (FVTPL)**

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.

### **Financial instruments measured at fair value through other comprehensive income (FVTOCI)**

These assets are subsequently measured at fair value. Dividends are recognised as income in the statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to the statement of profit and loss.

#### **iii) Derecognition**

The company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

#### **iv) Impairment of Financial Assets**

In accordance with Ind AS 109, the company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- Trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

### **b) Financial Liabilities**

#### **i) Recognition and initial measurement**

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial liability is initially measured at fair value, in case of financial liability which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the issue of a financial liability.

#### **ii) Subsequent measurement**

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

#### **iii) Derecognition**

The company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at each reporting period. Any changes therein are generally recognised in the profit and loss account.

(i) The principal assumptions used in determining gratuity for the Company's plans are shown below:

| PARTICULARS    | 31st March, 2019 | 31st March, 2018 |
|----------------|------------------|------------------|
| Discount rate  | 7.65%            | 8.00%            |
| Salary rise    | 8.00%            | 8.00%            |
| Attrition Rate | 3.50%            | 3.50%            |

The estimates of future salary increases, considered in the actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the actual rate of return during the current year. The company expects to contribute Rs. 8.63 Lakhs to the funded plans in the financial year 2019-20. The plan assets have been invested in Insurance managed funds.

The management assessed that cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Further, the management has assessed that fair value of borrowings approximate their carrying amounts largely since they are carried at floating rate of interest.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

### 39. RISK MANAGEMENT

#### Financial Risk Management objectives & Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's activity expose it to market risk, commodity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company.

The Company's financial risk management policy is set by the Managing Director and governed by overall direction of Board of Directors of the Company.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rate, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivable, payables and loan and borrowings.

#### 39.1 Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

##### a) Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

| PARTICULARS        | 31st March, 2019   | 31st March, 2018   |
|--------------------|--------------------|--------------------|
| Not Due            | 0                  | 0                  |
| 0 - 90 Days        | 2,08,51,098        | 81,21,088          |
| 90 - 180 Days      | 68,21,021          | 33,99,223          |
| 180 - 270 Days     | 0                  | 37,619             |
| 270 - 365 Days     | 0                  | 1,20,017           |
| More than 360 Days | 0                  | 0                  |
|                    | <b>2,76,72,119</b> | <b>1,16,77,947</b> |

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (e.g. timeliness of payments, available press information etc.) and applying experienced credit judgement.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

### b) Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. The company's exposure to the risk of changes in the market interest rate relates primarily to the company's long term debt obligations with floating interest rates.

The company's interest rate exposure is mainly related to variable interest rates debt obligations. The Company manages the liquidity and fund requirements for its day to day operations like working capital, suppliers/buyers credit.

### Exposure to interest rate risk

Company's interest rate risk arises from borrowings. Borrowings issued at fixed rates exposes to fair value interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

|                                                           | 31st March, 2019    | 31st March, 2018   |

### Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

### Cash flow sensitivity analysis for variable-rate instruments

The risk estimates provided assume a change of 25 basis points interest rate for the interest rate benchmark as applicable to the borrowings summarised above. This calculation assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date assuming that all other variables, in particular foreign currency exchange rates, remain constant.. The period end balances are not necessarily representative of the average debt outstanding during the period.

| Cash flow sensitivity (net)    | Profit or loss |                |

## 40. CAPITAL RISK MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Company monitors capital using adjusted net debt to equity ratio. For this purpose, adjusted net debt is defined as total debt less cash and bank balances.
